

Ph.D. Program in Computer Science

University of Pisa, Florence and Siena

Ph.D. Thesis Examination Committee Meeting

Date: October 8th, 2024

Place: Sala Gerace, Department of Computer Science, Largo B. Pontecorvo 3, Pisa
(also streamed at <https://meet.google.com/qjv-fmst-jns>)

Schedule:

2:00 pm	Domenico Tortorella - Efficient models for deep learning on graph
2:45 pm	Valerio De Caro - Learning in pervasive environments
3:30 pm	Alessio Gravina - Information propagation dynamics in deep graph networks
4:15 pm	Michele Resta - Continual incremental language learning for neural machine translation
5:45 pm	Graduation ceremony

The Ph.D. Thesis Examination Committee will be formed by:

- Prof. Monica Bianchini (University of Siena)
- Prof. Blanka Klimova (University of Hradec Králové, Czech Republic)
- Dr. Marco Miozzo (Centre Tecnològic de Telecomunicacions de Catalunya, Spain)

Each candidate will have 30' for her presentation plus 15' for Q&A.

Participation will be open and welcome.
